CUSTOM ADVENTURES

NATURALIST WALKS

SUGGESTED GEAR LIST

WHAT TO WEAR:

Our outings generally proceed rain or shine, so come prepared for any weather with layered clothing and waterproof outerwear, and be sure to dress appropriately for the season. In general, we recommend hiking boots for foot and ankle support on day hikes over a mile. Trails are mostly un-paved; you will be walking over varying conditions, perhaps sandy, wet or rocky.

EQUIPMENT & GEAR TO BRING:

You'll need to bring the following gear for our excursion:

- Daypack
- Lunch and water
- Sunscreen, sun hat, and sunglasses
- Raingear (depending on the forecast; seldom needed in the summer)
- Insect repellent (depending on the season)

We strongly recommend bringing a camera, as well.
