

YOSEMITE CONSERVANCY

OUTDOOR ADVENTURES

WHAT TO WEAR:

Programs continue rain or shine, so come prepared for any weather with layered clothing and waterproof outerwear, and be sure to dress appropriately for the season. In general, you should wear hiking boots for foot and ankle support on day hikes over a mile. Trails are not paved; you will be walking over varying conditions, including an occasional stream crossing.

EQUIPMENT & GEAR TO BRING:

You'll need to bring the following gear for this class:

- Daypack with lunch and water for the whole day-at least 2 liters
- Sunscreen, sun hat, and sunglasses
- Insect repellent
- Rain gear
- Waterproof shoes/boots-if early season or rain is forecasted
- Restrooms-there will be some locations with bathrooms but not everywhere. You may want to bring toilet paper and bag to pack it out. When there are no restrooms you will be using the woods. All trash must be packed out.

We also suggest the following equipment:

- Field guides
- Notebook/pencils, sketchbook, journal
- Camera
- Map of Yosemite
